Save Your Rights

COALITION OF LA CROSSE

Vote now while you still can!

- IF YOU value your rights and your freedom, this guide is for you.
- YOUR RIGHTS are under attack and have been chipped away by people in office who don't honor the US Constitution, the bedrock of our nation and culture.
- YOUR VOTE NOW is the most powerful single action you can take to protect your community and save your rights.

Save Your Rights Coalition is an independent, non-partisan, non-governmental, political action organization comprising dozens of groups and thousands of individuals from this area. All candidates have pluses and minuses and no one is perfect, but one of them WILL be next in office. This guide endorses the candidates who appear most likely to honor the US Constitution. We encourage all eligible voters to consider the importance of your basic rights and VOTE FOR YOUR RIGHTS.
